# 2012 Kidney Challenge Walk

*Presented by NAIFA (National Association of Insurance & Financial Planners) & Artone Manufacturing*

The goal of the annual Kidney Challenge Walk is to raise funds for the Southern Tier Kidney Association which supports those in the Southern Tier who are affected by kidney disease, including helping kidney patients and living donors pay for the financial concerns often associated with Dialysis, a kidney donation, and/or a kidney transplant. The Southern Tier Kidney Association's fundraising efforts benefit Dialysis patients at WCA Hospital, kidney transplant donors and recipients through the WNY Kidney Connection, and enhance community awareness of kidney disease.

There are several ways you can support the Kidney Challenge Walk, including:

- Participate as a Walker - securing as many pledges as possible to support your efforts
- Organize a Team to walk together (challenge friends, co-workers and create your own Team T-Shirts)
- Sponsor a Walker - make a generous pledge
- Serve as an Event Sponsor
- Donate to release a Butterfly *In Honor of* or *In Memory of* a loved one (see reverse side of Pre-Registration Form)
- Make a gift-in-kind donation for the Basket Auction at the Walk
- Donate to the Southern Tier Kidney Association - make a tax-deductible gift

***Our goal this year is to raise \$15,000 to purchase a solution warmer and vital signs monitors for the benefit of kidney patients served by the WCA Hospital Dialysis department.***

The 2012 Kidney Challenge Walk will feature:
